I am a customer of Palmetto Utilities

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

I am strongly opposed to Palmetto Utilities' request for a sewer rate hike. Any increase to my sewer bill would impose an undue burden and create a financial hardship. Further, any increase to my sewer bill would be unfair when considering that my usage has not increased.

1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a customer of Palmetto Utilities.

I currently pay, as a single individual, \$52.10 per month

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

I am strongly opposed to Palmetto Utilities' request for a sewer rate hike. Any increase to my sewer bill would impose an undue burden and create a financial hardship. Further, any increase to my sewer bill would be unfair when considering that my usage has not increased.

Further, I believe that Palmetto should ~~change~~ lower their charges on water consumption and not a one charge flat fee. Many small one person pay the same as 10 per household - totally unfair. I will attend the PSC meeting regarding Palmetto prices.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *

Yes, I wish to appear at a hearing in this proceeding and offer sworn testimony.

1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

We are homeowners being affected by this rate increase.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

This would be the 2nd increase since we purchased our home in April 2016. We should not be penalized for the lack of financial guidance that this agency has had and for others who have caused damages.

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? *

Yes.
